

**Season of Creation Events Coming Up.** In addition to some creation-centered prayers and readings throughout our regular September services (Sunday Holy Eucharist 10:30 am, Wednesday Morning Prayer 8:15 am, Wednesday Compline 8 pm), there are several events scheduled outside the church to draw us into this special ecumenical season:

- Sunday, September 1, 5:30 pm: We will host a Season of Creation Opening Liturgy on the front porch of Benedict Hall, followed by an optional supper at the Red Pirate food truck at High Five Dive Bar (131 Commerce Street).
- Saturday, September 7, 8:00 am: We will meet at the Boardwalk at Scipio Creek for *Lectio Tierra*. You may be familiar with Lectio Divina (“divine reading”), which is a method of intentional prayer and Scripture study. Lectio Tierra (“earth reading”) uses the same approach but with Scripture that are creation-focused. It is a great way to enter into a meditative space centered upon our role and relationships with all other living beings.
- Friday and/or Saturday, September 20/21, 5:00 pm: A group from Trinity will meet at Cape San Blas to go horseback riding on the beach! If you have never done this, it is a fantastic way to experience our fragile shores. Cost is \$100 per person, signup due September 8 and payment due by September 15. There will be a signup sheet in Benedict Hall with all the particulars or call Travis Pecot. A Lectio Tierra will occur simultaneously for those who do not wish to ride.

- Saturday, September 28, 5:00-7:00 pm: We will celebrate the much-loved CANOECHARIST in Apalachicola Bay. We will meet in the waters off of Seafood Landing Park (near the intersection of US Hwy 98 and Pal Rivers Road) for a Holy Eucharist like you've never experienced! Any sea-worthy vessel is invited. There will be a signup sheet in Benedict Hall so we can get a headcount and know how many vessels are needed. If you are willing to bring your boat, let us know how many people you can transport.

- Friday, October 4, 5:30 pm: We will host a Season of Creation Closing Liturgy at the Chapman Botanical Gardens (177 5<sup>th</sup> St), followed by an optional supper at Half-Shell Dockside (301 Market St).
